MEMORANDUM FOR: Director, Office of Current Intelligence
Director, Office of Economic Research
Director, Office of National Estimates
Director, Office of Scientific Intelligence
Director, Office of Strategic Research
Director, Foreign Missile and Space Analysis Center

25X1

SUBJECT : USIB Guidance for COMINT Programming

1. The Director has advised the Deputy Secretary of Defense that the USIB will accelerate its work on intelligence guidance for COMINT programming so as to complete a worldwide review by March 1970. In a memorandum to General Cushman, the Director has asked that the Agency support this effort and that we include in the COMINT guidance only our "real and essential needs".

2. This effort will be handled by the Intelligence Guidance Subcommittee (IGS) which will be assisted by two additional working groups in order to meet the deadline. You are requested to designate representatives with whom the CIA members of the IGS and its working groups may consult on substantive matters for each of the subelements of concern to your office.
